

**CHANGE OF MASS SCHEDULE
BEGINNING ON WEEKEND OF MAY 29– 30, 2021**

Dear Parishioners,

Our weekend Mass schedule will be changed beginning on May 29-30, 2021 (Trinity Sunday). The reason for the change in the Sunday Mass schedule is due to our need to have two (2) Religious Education Sessions on Sunday between the Masses as we did in the past. Also the 8:00 AM Mass will be in Spanish. The reason for this is that the 1:30 PM Mass is often overcrowded and we are limited by the Fire Marshal in the capacity of seating. Our church usually sits about 800 people. Many times the 1:30 PM Mass has between 9:00-1000 people who are standing in the Narthex of the Church. Also the Spanish community is the younger people and have many children. It is important that Latino Families have at least one full day to be with their family. The Spanish Core Group has given approval for this change in the 8:00 AM Mass to Spanish. Also I asked the OLM Pastoral Team, Quilting Sewing Group, Finance Committee and Pastoral Team for their input into this change. We will experiment with this time and the language for the summer months so that we can evaluate the number of Latino people coming to this Mass.
