Sponsorships Opportunities

The Heart of Mercy Fund makes a direct and meaningful impact on the Our Lady of Mercy School community. It supports different areas around our community, including tuition assistance for families (approximately 30%), teacher recruitment and retention, technology enhancements, and campus improvements. With our continued commitment to live out the mission in nurturing students in faith, learning, and service, the Heart of Mercy aims to make Catholic education more accessible and provide the resources needed for us to continue striving for excellence. Your sponsorship is more than a gift. It becomes a partnership with our community by providing continuity and helping us nurture the hearts and minds of our students.
